

PARAMOUNT LIMOUSINE COVID-19 SAFETY PROTOCOL

Temperature checks are done prior to each reservation

Drivers are not permitted to drive if they have fever, cough, shortness of breath or show any signs of being generally unwell

Drivers wear masks and gloves during each reservation and sanitize their hands prior to, and between each trip

Sanitizer is also available for client use in each vehicle

Vehicles are sprayed and fully wiped down with disinfectant between each trip

Luggage will only be handled upon request. Please avoid handshakes.
